Senior	1				
Should students be allowed to get a second lunch if they pay for it?					
Yes	11				
No	1				
If the school had open campus, would you leave for lunch?					
Yes	11				
No	1				

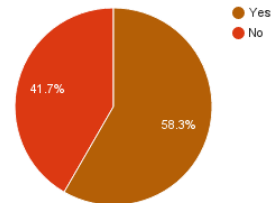

Have you ever still been hungry after eating school lunch?

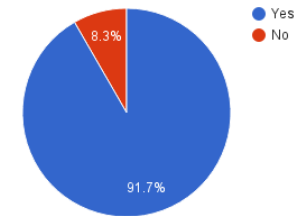

Should students be allowed to get a second lunch if they pay for it?

Have you ever spent money on food after eating school lunch?

If the school had open campus, would you leave for lunch?

Research questions:

How do the lunch proportions affect students' ability to function, learn, and stay energized after eating?

Do students spend more money on lunch or after they have eaten their lunches?

Conclusion: about 90% of students interviewed are still hungry after lunch. About 58% of those students spent money on more food after they have spent it on school food
